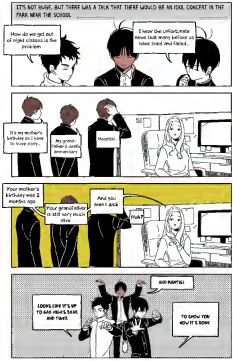
#1.



IT'S NOT HUGE, BUT THERE WAS A TALK THAT THERE WOULD BE AN IDOL CONCERT IN THE PARK NEAR THE SCHOOL.
How do we get out of night classes in the previous
I have the unfortunate news that were before us have tried and failed.
It's my mother's birthday so I have to love early.
My grandfather's death anniversary
Hooray!
Your mother's birthday was 2 months ago
And you aren't sick
Your grandfather is still very much alive
Yeah!
BAD PARENTS!
LOOKS LIKE IT'S UP TO DAN-KUN'S SKILL AND TALKS.
TO SHOW YOU HOW IT'S DONE

#2.

Someone will definitely say no bad in the night classes
Where did I leave my outer clothes and stick.
Hey, Baek-jun classes are starting soon, where are you off?
No, thnk.
No, Baek-jun Follow me.

#3

Hey, classes have already started, hurry up and get to class
Hm, it's the gym teacher!
Shit
Hm, quiet down there!
Sigu, follow me
And get out my clothes and stick twice
